WILL CONTROVERSY

Over Large Estate Finally Compromised

AFTER ONE TRIAL IN COURT.

Plaintiff Renounces All Claims to Estate and Receives Money and Lands.

There has been no litigation in the courts of Tazewell for some years that excited as much interest as the case of Mary Ann Gillespie vs. Henry T. Peery, which grew out of a contest of the will of Mrs. Nancy Peery died. Mrs. Gillespie was the daughter of Mr. Peery by her first husband and Mrs. Peery was the second husband of the deceased. In July, 1896, Mr. Nancy Peery, died, after being very ill for several weeks, at the residence of Mrs. Kate C. Peery, two miles east of Tazewell. On the 16th day of June, 1896, she made a will giving all of what was claimed to be a very large estate to her husband, Henry T. Peery. A short time after the will had been probated Mrs. Mary Ann Gillespie, the daughter and only heir at law of Mrs. Peery, employed counsel for the purpose of breaking the will. Her counsel were Messrs Chapman & Gillespie and Henry & Graham. The usual suit in equity was brought and an issue out of chancery directed by the circuit court of Tazewell County for the purpose of having the will contested before a jury.

Mr. Peery engaged for his counsel A. J. & S. D. May, F. S. Blair and V. L. Sexton. At the last term of the circuit court, in April, the case was tried before a jury of Tazewell men and resulted in a mistrial. A number of witnesses were examined by the propounder and contestant of the will. It was a stubborn fight, and because of the extensive relationship of both parties to the suit, large crowds were in the courthouse each day during the progress of the trial. The counsel were very earnest and able in the presentation of the law and facts to the jury, but, as we have said before, all the work resulted in a mistrial or hung jury.

Almost as soon as the result of the trial in court was known, friends of the parties to the suit began to urge that a compromise should be made out of court. It was evident that ill feeling might be engendered between persons who ought to be friends, because of their supposed or expressed sympathy for one or the other of the litigants. Friends continued to urge compromise until their advice and labors resulted in a settlement, which was fully completed on Tuesday, the 15th inst. The substance of the compromise is as follows: Mrs. Mary Ann Gillespie, daughter and only heir at law of Mrs. Nancy Peery, died, agreed to withdraw her contest to the will and renounced all interest in the estate of her deceased mother; and in consideration of such renunciation Mr. Henry T. Peery, the sole beneficiary under the will, paid to Mrs. Gillespie \$500.00, and conveyed to her four several tracts of land on the headwaters of Clear Fork, in Tazewell County. These tracts contain in the aggregate about 245 acres. It was further agreed between the parties that each should pay their costs incurred in court.

So a very unpleasant litigation has been terminated by the advice of friends. We congratulate the parties on the settlement of the difficulty.

On Matrimony Intent.

On Monday just before noon a buggy was driven into town and halted in front of the office of our popular county clerk, T. E. George. The occupants of the vehicle were a young man, Mr. W. T. Ethers, and a blushing young damsel, Miss Nannie Bell Meadows. It was soon apparent that the young people were on a matrimonial mission. The young man left the young lady sitting in the buggy and came into the clerk's office and gave the clerk to understand that he wanted a marriage license. Mr. George, struck with the youthful appearance of the damsel asked Mr. Ethers her age. He replied sixteen. Mr. George then informed him that he must produce some evidence of the consent of the parents of the girl to the marriage. Mr. Ethers said that is all right and drew from his pocket a paper signed by the parents of Miss Meadows, giving their consent to her marriage with Mr. Ethers. The paper was witnessed, but Mr. George told him it would not do unless the person who witnessed it was produced to prove that the paper was genuine. Again Mr. Ethers was fortunate enough to be able to say "all right." He said the witness was in town and would be produced. Just after dinner Mr. Ethers presented himself at the clerk's office with the witness and Mr. George issued the license. The young people left town immediately for the head of Clinch where, we have no doubt, they were made man and wife by Rev. W. H. Kelly. The couple came from Wolf Creek, in Bland County, the bride being the daughter of Mr. F. S. Meadows.

Picnic and Fishing Party.

On Tuesday quite a crowd of young ladies and gentlemen drove to Pisgah to have a picnic and try their luck at fishing. The following constituted the crowd: Misses Nellie Hufford, Polie Peery, Eva and Bessie Cooley, Bettie Crockett of Graham; Nannie and Lou Witten, Stella Bottimore, Weaver, of North Carolina; Sheppard, of Pennsylvania; Faupel, of West Va.; and Messrs Jno Bottimore, Coke, of Elkhorn; Sutherland, of Graham, J. P. Royal and W. W. Kelly.

From what we have been told the crowd had a delightful time. They had plenty of good things to eat and lemonade in abundance. The fish did not bite, they never do for such crowds because so little talking is done.

After dinner the crowd went to Pisgah Station, where Misses Sheppard and Faupelle and Mr. Coke took the train for Elkhorn.

Dr. Hufford Painfully Injured.

On last Thursday evening Dr. Hufford left town to visit a patient in Poor Valley, and had gone but a short distance when he received a very painful injury which necessitated his return home. He had

The Champions.

Several of the professional and business men of Tazewell have visited Clear Fork this season to fish for trout, and several parties have made nice catches; but Col. H. C. Alderson and Mr. Lewis Brittain are the champions. On last Thursday and Friday they caught in Clear Fork and Cove Creek one hundred and five of the speckled beauties. We had the pleasure, in company with several other gentlemen, of partaking on Saturday of a fish supper, gotten up by Col. Alderson in his inimitable style. The guests did ample justice to the trout.

Electric Lights and Telephone Exchange.

Messrs C. C. Cochrane and Albert Parlett, of Bristol, Tenn., arrived in our town on Monday. They had been told that our town was in need of an electric light system and telephone exchange, and they came here to see if they could not talk the matter up and get the contracts for putting in these much needed improvements. The gentlemen have had considerable experience and are thoroughly equipped in the business. They did not succeed in exciting much interest among our citizens, and left on Tuesday afternoon.
